Biosimilars Forum Statement Regarding the Confirmation of Tom Price as the Next Secretary of Health and Human Services

Washington, DC, February 10, 2017 – The Biosimilars Forum – the nonprofit organization solely dedicated to expanding patient access to biosimilars in the United States today issued the following statement regarding the appointment of Tom Price, to the post of Secretary of the U.S. Department of Health and Human Services.

“The Biosimilars Forum is pleased to congratulate Tom Price on his confirmation as the next Secretary of Health and Human Services as voted today in the U.S. Senate. We look forward to working with Secretary Price on policy to advance access to affordable biosimilar medicines, which are a viable solution to lowering drug costs.”

About the Biosimilars Forum

The Biosimilars Forum is a nonprofit organization whose mission is to advance biosimilars in the United States with the intent of expanding access and availability of biological medicines, and improving health care. The founding members of the Biosimilars Forum represent the majority of companies with the most significant U.S. biosimilars development portfolios.
